CLASS 5/6 HALF TERM NEWSLETTER

This term our topic is...

Road Trip USA!

Buckle up, sunglasses on - we're going on a road trip across the good old Us of A!

The topic has a Geography focus and the children will explore the sights and sounds of the Big Apple, finding out about some of its iconic landmarks and attractions.

The children will also learn about the Native American Iroquois tribe and their amazing traditions and customs.

As a final activity the children will use what they have learned about America to plan a bespoke road trip for a family.

It's going to be a long ride, put the roof down and let the wind blow through your hair - we're off!

Class Routines to be aware of:

PE kit - Thursday

Big Maths/Spelling Tests - Friday

Homework Due in - Monday

Homework/How Parents can help:

Homework will usually be given out to consolidate classroom learning, this may include online activities using Abacus, Mathletics or PurpleMash.

Please check your child's class page on our school website to find links to activities and websites that will help them throughout the topic.

Please continue to read regularly with your child and to practise spelling words.

The children have started an updated version of Big Maths and examples of the new tests will be on your child's class page of our website.
