

Parent survey responses 2020

"My child loves going to school, they are so motivated and enjoy the experiences in class every day. My child feels very proud and passionate being a pupil of the school."

"The school is fantastic and my children are very happy. Nothing is too much trouble for the staff."

ESTYN 2014

"All pupils are enthusiastic and eager to learn. They are very polite and confident with adults. Their behaviour is consistently very good in the classroom and at break times and they show respect, care and concern for others."

"Teachers prepare challenging activities that encourage pupils to think for themselves and to reach their own solutions. They use a wide variety of teaching approaches that ensure pupils are continually engrossed in their learning. In particular, they use a range of up-to-date ICT equipment very effectively to enable pupils to work on their own and with others successfully."

Creating Lifelong Lovers of Learning

Half of the top 10 GCSE results from Bryncelynog Comprehensive School in 2019 were from our past pupils.

Our School Aims

- To encourage every child to reach their potential in all aspects of their lives.
- To create an atmosphere and environment that provides opportunities that will develop self-confidence, enthusiasm, resilience and pride in our pupils' achievements and those of others.
- To ignite in all pupils a life-long love of learning, enabling them to become positive members of the local and global community.

MORE ABOUT US

The School

Llanilltud Faerdref Primary School is housed in a one-storey building built in 1974. The school is a mixed 3 to 11 age school situated in Church Village, Pontypridd. It is a Local Authority school within the area of Rhondda Cynon Taff County Borough Council. The school was originally a Junior School, but a new Nursery Unit and internal changes were made in 1990, when the school merged with the old Infant School to become a Primary School.

We benefit from extensive grassed areas surrounding the school with our own football/rugby pitch and eco garden. There is also a large yard with plenty of outdoor equipment. The Foundation Phase has a large canopied area with planters and seating.

Admission Arrangements

RCT council controls all admissions to schools. Llanilltud Faerdref Primary School cannot give places to children but we can provide advice. Applications for places in our Nursery and Reception can be made online by visiting:

www.schooladmissions.rhondda-cynontaff.gov.uk

We will continue to offer Nursery places on a full time basis in September 2021.

If spaces are available children may be admitted to the Nursery Department as a Pre-Nursery pupil from the term following their third birthday.

Starting dates are September, January and April. For example:

- *If a child has their third birthday between May and August they can start school in September as a Nursery pupil.*
- *If a child has their third birthday between September and December they can start school at the beginning of the Spring term in January as a pre Nursery Pupil (Providing there is space).*
- *If a child has their third birthday between January and April they can start school at the beginning of the Summer term as a pre Nursery Pupil (Providing there is space).*

Visits

A visit to our school can be arranged at any time. We encourage all nursery children to stay for school dinners as lunchtimes are an important part of personal and social development. We hope that these arrangements will help your child settle quickly into this exciting new stage of their lives.

For children who arrive at our school at a later stage in their school life, we will endeavour to accommodate them in the correct class for their age. We will assign the child a 'buddy' to aid their successful integration into school life, and will have a regular dialogue with the child and parents to smoothen the transition process from their previous school to our own.
