# Nursery and Reception

## Half Term Newsletter

This term our topic is:

### Exploring Autumn

In the Exploring Autumn project, your child will go on a woodland walk to learn about the seasonal changes that happen in autumn. They will learn about birds and animals that live in the woods and how they survive as the weather gets colder. They will take part in practical and creative activities that will support them to learn about autumn.

### Supporting your child at home

- Go on a walk around your local area and talk about what happens to trees and plants during autumn..
- Collect leaves, seeds, nuts and berries to add to an autumn collection in school.
- Make some bird food to feed the birds as the weather gets colder.
