Dosbarth Glas Year 1/2

Half Term Newsletter

This term our topic is:

Superheroes

In the Exploring Autumn project, your child will explore the power of good deeds. Children develop their control, balance and travelling skills and understand the importance of teamwork. Linked science investigations: What can our hands do? Can you be a superhero?

Supporting your child at home

It's time to rescue the planet from evil villains. Who's your favourite superhero? Spiderman? Wonder Woman? Maybe your heroes are ordinary people who've achieved great things. Or is it those people who save lives in our emergency services that you admire most? Superheroes have super senses. Use yours to identify mystery items by their smell, taste, sound and touch. What do true superheroes eat to keep their senses and special powers sharp? Can we stop the dastardly plans of Professor Slime? He's dropping his villainous instructions around town. We must stop people following them, but can we make it in time? Is that phone box free? Please excuse me - I have to save the world.

Class Routines to be aware of

PE - Mondays (Wear PE Kit to school)
Reading - Practise at home.
Reading books to be returned to school every day.
