

# Eisteddfod Home Task

11th February 2022

Dear Parents/Carers,

As part of our Welsh learning, in readiness for the Eisteddfod (Friday 11th March) the children will be taking part in home learning tasks over the half term. We have organised these from Nursery to Year 2 and Year 3 to Year 6.

The home tasks can be added to Google Classroom/Seesaw where you will find an assignment titled as appropriate. Please add a photo, picture or video as you see fit.

If the home tasks need to be physically brought into school, we would ask you to bring them in by the **Friday 4th March**.

See below for the home task that applies to your year group.

## **Nursery – Year 2 (1 competition)**

Create / craft your own Welsh love spoon. Use whatever materials you would like to create your own love spoon. Remember to look at the meaning of the shapes on the spoon.

## **Years 3-6 (2 competitions)**

1. Media activity – photography. Take a photo of a Welsh landscape or a photo of somewhere in Wales that is special to you and your family. Pupils in Year 4-6 upload it to Google Classroom under the set assignment. Pupils in Yr. 3 upload to your Seesaw platform.

2. My Welsh Hero – children are to create an image of their Welsh hero in any format (written / media / sculpture / fact file / infographic / poem / song). Upload to Google Classroom or bring it to school.

## **Traditional Welsh Costumes**

As we are celebrating all things Welsh on Tuesday 1st March 2022, we would like pupils to wear traditional costumes or Welsh colours to school.

Many thanks for your continued support
