Summer Term Newsletter

Thursday, May 18th 2023

Dear Parents/Carers,

With the coronation celebrations now behind us, I'm writing with a few updates including dates and events coming up this term.

New building

As you will have seen the new building is really starting to take shape. The steel frame is now well under way ([Photograph](#)) The contractors have assured me that everything has so far gone to plan and they are still on schedule.

Eco schools

Congratulations to Mr Logan and our Eco council for their successful renewal of our Platinum Eco schools award.

Free School Meals

A reminder that all pupils in Reception, Years 1 & 2 are now able to access free school meals every day if they wish. The current menu is available [here](#). We have been told that this offer will be extended to include pupils in years 3 & 4 from September 2023 and to years 5 & 6 from April 2024.

ESTYN Inspection

For anyone who might have missed the outcome from our recent inspection please follow this [link](#) for the letter sent out during the Easter holidays.
